Sir,

Subject - Re the grant of extension of service for one year to Mr E P.Mannas, Veterinary Inspector of the Mysore City Municipality who attains the age of superannuation on the 6th April, 1945.

I have the honour to state that Mr.E P Mannas, the Veterinary Inspector on Rs 100/- in grade Rs.75-5-100 who started his service as such in this Municipality on 1-12-1911, is to retire from service with effect from the 6th April 1945 on which date he will attain his 55th year, and his retirement with effect from that date, has therefore been ordered in this office memo No M6.255/44-45 dated the 4th November 1944 He has now submitted a representation through the Health Officer, praying that in consideration of his long and faithful service in the Municipality, and his capacity for further work he may be given an extension of service for one year, as otherwise, his retirement would operate as a great hardship in these hard days since he has to educate his son The Health Officer has recommended his case for sympathetic consideration in view of this Veterinary Inspector having gained good experience by remaining in this Municipality all through his service It is further reported that he has a good record of service as all the Health Officers under whom he served have certified their high appreciation of his work, and that he is quite fit to render further service As it is found difficult to secure the services of an experienced hand in his place, it is considered highly desirable that the services of this Veterinary Inspector, should be extended

In these circumstances, I recommend that in view of his possessing a good record of long service and physical fitness, his prayer to grant him an extension of service for one year from 6-4-45 deserves
